

PRODUCT: Plastik Honey Premium Autobody Filler Thinner

PART NUMBER: 101249 **Pint** **12 units/case**

DESCRIPTION: Plastik Honey is an autobody filler thinner formulated to thin and enhance traditional polyester body fillers and polyester glazing putties. It can be added to Evercoat professional grade fillers and putties, as well as all competitive fillers and putties. Add a small quantity of Plastik Honey to the filler (prior to adding hardener) and continue to increase the amount until desired smoothness is achieved.

FEATURES & ADVANTAGES:

- Improves spreading properties of fillers
- Reduces pinholes • Helps improve stain resistance
- Keeps tack free filler tack free

NOTE: Plastik Honey is not recommended for use in Evercoat Quantum1™ 10:1 Single Step Repair Technology products, or Evercoat Ultra Products that contain EcoResin™.

TECHNICAL SPECIFICATIONS:

- | | |
